

## FROM LOCAL TO GLOBAL: LINKING CLIMATE & GENDER JUSTICE STRUGGLES TO THE UNFCCC

Activists from South Africa, Indonesia, Ecuador & Germany discuss how their work is connected to the global climate movement, and how this relates to the UN climate negotiations (UNFCCC).

Together, participants will consider how this space can be used to promote climate & gender justice.

Co-hosted by LIFE and GenderCC - Women for Climate Justice, with the support of the Rosa Luxemburg Foundation
